

THE PELLEGRINO GRANT APPLICATION

The Greater Delhi Area Chamber of Commerce Pellegrino Grant is an annual grant awarded to area business members for the purpose of directly enhancing the charm and appeal of the greater Delhi area through exterior or interior business improvements. Past grant recipients have used the award for outdoor signage and for constructing open-air customer areas.

This year the Greater Delhi Area Chamber of Commerce will award two grants, each for \$2,500. This is a reimbursement grant. The selected grant recipients will pay for the expense and then submit the copy of the receipts and proof of payment to the Greater Delhi Area Chamber of Commerce board when the project is complete. Payment will be made only to the grant recipient directly.

The application process is brief and easy, and the Pellegrino Grant committee is happy to work with you to develop your idea. If you'd like more information or need assistance, please contact us at hello@visitdelhiny.org.

MEMBER APPLICATION

Name: _____

Email Address: _____

Organization Name: _____

Company Website: _____

Anticipated project budget: _____

(The project can be any budget.)
